

## **Appendix B Chunk Your Junk Days**

**This event is for getting rid of junk that is easily hauled and handled by one person. Please note these rules:**

1. Event is for city residential customers within the city limits of Sallisaw. When disposing of waste, customer shall provide their utility bill. City staff will supervise disposal of waste.
2. Customers are responsible for unloading into the dumpsters provided and separating the waste into the appropriate dumpsters.
3. All materials must originate from residential property.
4. All items must be easily handled. No heavy items that require equipment to unload. No items requiring shovels to unload, such as rock and dirt.
5. Items must fit in a normal 1/2-ton truck bed with no side rails. Trailers up to 16 ft. with no side rails will also be allowed. **ALL LOADS SUBJECT TO BE TURNED AWAY BASED ON CONTENTS AND WEIGHT.**
6. Customers are asked to bag items as much as possible and to separate all metal.
7. Types of items accepted: Bagged leaves, small plants, metal, wood/lumber, landscaping materials, furniture, bedding, cans, bundled cardboard, small appliances (only if coolant/refrigerant has been removed).
8. **ITEMS NOT ACCEPTED:**
  - a. No brush, construction debris, shingles or commercial trash.
  - b. No hazardous waste or free flowing liquids. No batteries, paint, oil, cooking oil, fuel, chemicals, pesticides, fertilizers, cleaning products, pharmaceuticals, butane/propane tanks.
  - c. No appliances with coolant/refrigerant systems still connected.
  - d. No Tires or other heavy rubber type materials.
